WO-HE-LO 1949

Constituting probably the greatest collection of inexperience and ineptitude, the WO-HE-LO staff floundered through the processes of compiling the yearbook even though numerous mistakes and errors were made. But by the time the engravings and copy went to press the staff had many so-called authorities on all the intricate phases of photography, engraving, and printing. These veritable geniuses will never be recognized as such but at least, at the expense of the student body, they have learned how to type, punctuate and spell, and show great present promise of being an influential part in shaping the future of the world.

EDITORIAL STAFF

Jack Laseter, Editor; Martha Woodward, Jimmy Breland, Associate Editors; Woodley Chandler, Eugene Langston, Sports Editors; Sue Henderson, Charles Miller, Club Editors; Sue Kern, Allan Mapp, Literary Editors; Ramona Mitchell, Feature Editor; Myrtle Ruth Fikes, Don Rogers, Organization Editors; Jimmy Kealhey, High School Representative; Kenneth Carleton, Marshall Carleton, Photographers; Mrs. Newsome, Mr. Simmons, Sponsors.

JACK MAYO . . . . . Advertising Manager
ANN GRAHAM . . . High School Representative
MARVIS PRICE . . . High School Representative
MR. CLAY SIMMONS . . . . . Sponsor

Many an hour we of the Business Staff have plundered over the learned economic theories of how to secure the necessary financial aid to materialize our penniless brainchild into a thing of admiration. This was accomplished financially and otherwise, but the poor contributors to our financial scheme who met much discouragement now feel completely exhausted and irritated at the slightest thought of undertaking a similar project of the same nature.

TOM TOM, 1949

Bearing proudly aloft its masthead, the TOM-TOM carries its slogan—"Toward a Bigger and Better E. C. J. C." In attempting to translate this slogan into positive action, the TOM-TOM has endeavored to keep students informed of school developments and has participated in the promotion of public relations and the stimulation of school spirit.

This publication appears semi-monthly; it is planned, edited, and financed by the students of East Central Junior College. In this way, students are offered opportunities for exploring possible interests in journalism and for experience in salesmanship, news reporting, and creative writing.

Since its beginning in 1945, the TOM-TOM has grown from a four-page monthly publication to a semi-monthly eight-to-ten-page edition. Its circulation has increased from around 500 to approximately 1500. Likewise improving in quality, one issue of the TOM-TOM won an award at the Junior College Press Convention this year as being the best single edition presented by any junior college in the state.

We of the WO-HE-LO staff are proud to give credit where credit is due and that is what we intend to do by the giving of this special notice to our campus engineer—Mr. Andy Miller.

In the past nineteen years the gentlemen shown in the insert at the left contributed faithful service to the students and faculty of this institution. He has in every possible way made life most pleasant for the most of us during our college career.

INDUSTRIAL EDUCATION

Shortly after the beginning of the second semester, the vocational department became the largest single department on the campus. The vocational department is divided into six parts: Automobile Mechanics; Paint and Body Shop; Building Trades; Vocational Drafting; Vocational Electricity; Industrial Arts Shop.

Automobile Mechanics, which was started in 1944, is the oldest division of the course. The purpose of this unit is to train students in all phases of auto mechanics. The student begins with one unit of study and progresses until all units are studied. The instructors are Mr. O. B. Mayo and Mr. J. J. Keahy.

The Paint and Body shop, added in 1946, is the second unit. This course includes every detail of body work from dents to re-working the whole body. As in all the departments, learning comes from practice and experience and is supplemented with text books to fit the purpose. R. D. Douglas, instructor.

The Builders Trades course began September 11, 1947. The purpose of the course is to teach all phases of building, including bricklaying, carpentry, elementary electricity, elementary plumbing and all related building projects. W. A. Spivey, instructor.

Vocational Drafting is another course which has recently been added—November 17, 1947. The purpose of this course is to train draftsmen in any of the specialized fields which they choose. Mechanical drawing is a pre-requisite for this course. A vocational Co-Ordinator of Trades Training has been added.

A new course in vocational electricity has been organized and has constantly maintained a maximum enrollment. Under direction of C. H. (Burt) Evans, who has added many years of practical experience in the electrical field. The course primarily deals with construction wiring. Other phases of electricity are covered to enable students to have a working knowledge of them but not a specialist of that field.

At the beginning of the fall semester an Industrial Arts Shop was organized under the supervision of Mr. J. O. Evans. This course is open to all college students but primarily intended for the students in the industrial arts curriculum giving them practical experience in industrial art's shop in order to become teachers.

Hoping to further develop the South's industries, we, the Industrial Department, have devoted our integrity and ability to the greatest extent in the betterment of industrial trades.

EARL W. TERRELL, Coordinator

FIRST ROW: William Bailey, Erbie Barfoot, Melton Barrett, William Beckam

SECOND ROW: Dewey Brady, James Brantley, William Burks, A. L. Byars.

THIRD ROW: Billie Clark, Nolan L. Clark, Charles Dorman, Hubert Drew

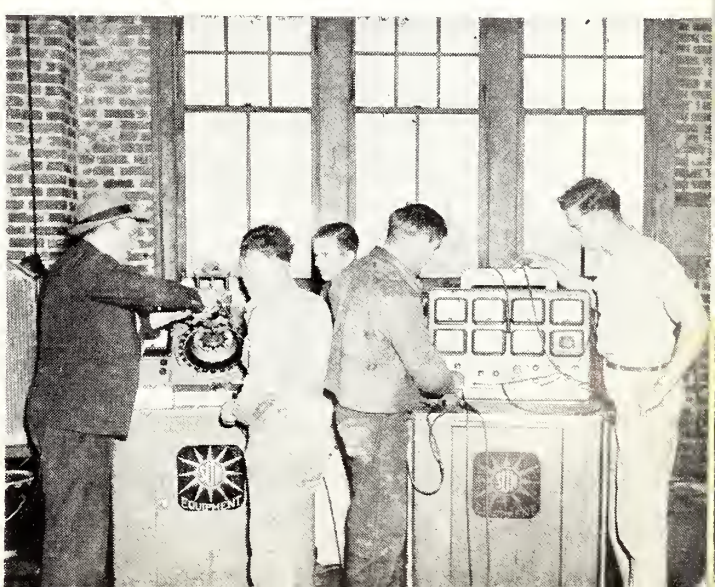
FOURTH ROW: W. C. Eddins, H. L. Edwards, Homer Estes, Herman Ezell

FIFTH ROW: W. H. Ezell, William Fox, G. W. Gardner, Charles Gibson

SIXTH ROW: J. B. Gilmer, Earl Golden, Virgil Goss, Buck Graham

SEVENTH ROW: Tommy Graham, J. W. Grice, Bonner Hall, Chester Herrington

EIGHTH ROW: Willie Hillman, Harry Hollingsworth, Calvin L. Irons, J. H. Jackson.



The Industrial Education Department is larger than it has ever been. There are more separate departments and more students in each department.

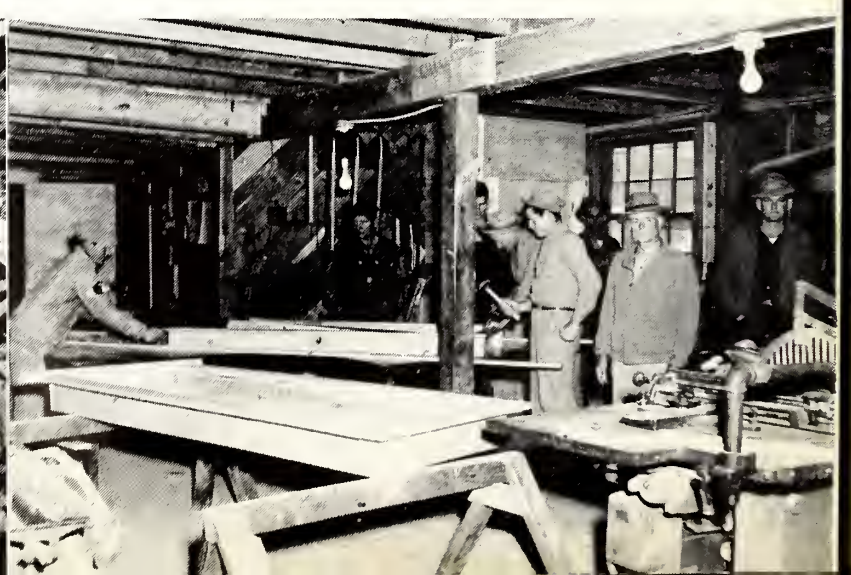
Students upon graduation from this department are qualified to fill the positions of Shop Instructors or Coordinators.

The Auto mechanics boys keep all the school vehicles in running condition. Most of the boys use their own automobiles for experience in mechanics.

The vocational drafting course offered at East Central is the only course of its kind in the state of Mississippi.

A diploma is granted from this department when a student has met the requirements of his particular trade.

The Industrial Education Department is definitely an asset to this community and this college district.



FIRST ROW: Devon Johnson, Ray C. Johnson, R. E. Kelly, W. B. Langdon

SECOND ROW: Barnett Liles, Billy McElheney, C. B. McElheney, Clark Mathews

THIRD ROW: Floyd Miles, A. D. Moore, Stanley Moore, James Nelson

FOURTH ROW: Hulan Phillips, George Phillips, A. J. Pilgrim, William H. Pilgrim

FIFTH ROW: Robert Robertson, William Sadler, C. E. Seals, Douglas Sims

SIXTH ROW: J. C. Smith, O. Q. Smith, Richard J. Spears, R. H. Spence

SEVENTH ROW: H. C. Stanley, S. L. Staton, Bernard Thompson, Mitchell Thompson

EIGHTH ROW: Sidney Thompson, Edwin Walters, Albert Watkins, Lamar Watson

In order for the different departments of the industrial department to get practical experience, different building programs are carried out on East Central's campus. For example, the drafting department would draw the plans; the builders' trade would construct the building; the electrical department would wire the building; and all phases of the vocational department working together to obtain practical practice in their chosen fields.

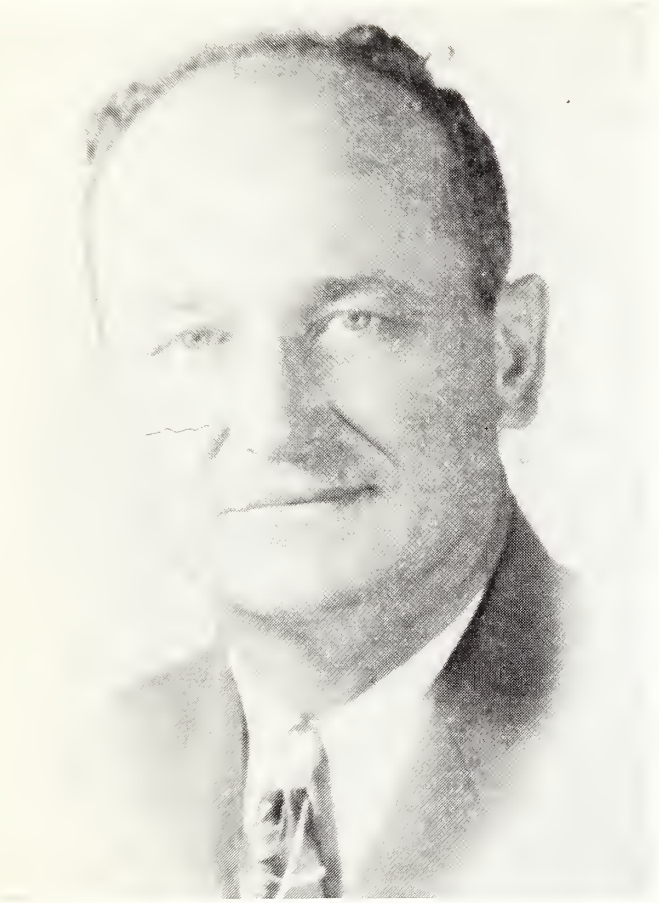
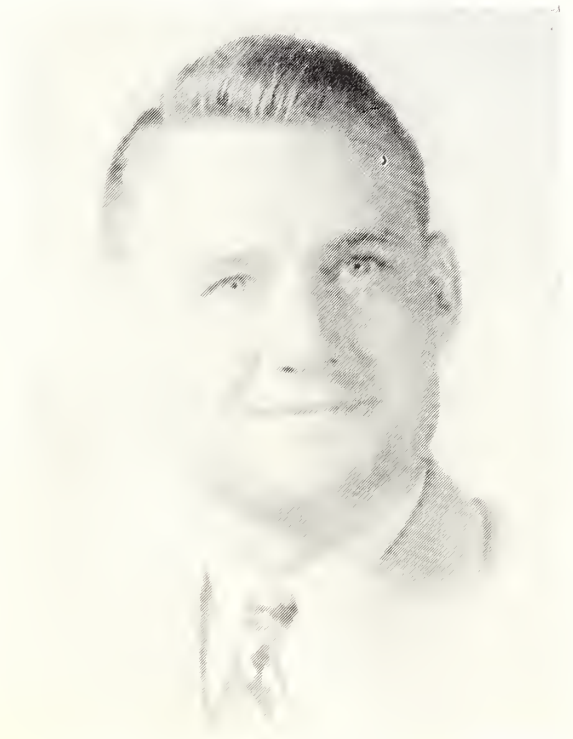
FOOTBALL



HILLERY HORNE
Coach

Genial Hillery Horne became the new supreme commander of the Decatur Warriors August of '48, taking the place of M. L. Vines. Coming to us from Panama City, Florida, with an enviable record, he had developed many a powerful team and as a great ballplayer, himself, he had made All-Southeastern tackle at Mississippi State in 1944.

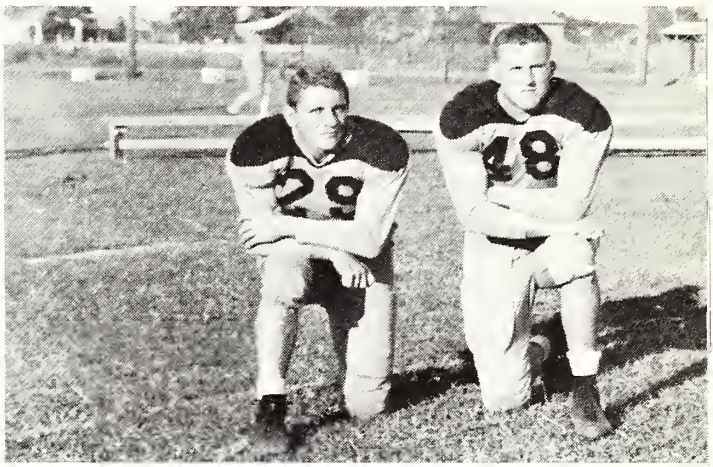


WALTER VINCENT
Coach

First Row: Malcolm Phillips, Marvin Hughes, Paul Amis, William cent. Second Row: Coach Horne, George Stone, Ray Warren, Bill patrick, James Wood—Trainer. Third Row: Jesse Blalock—Manager, Aubrey, Larry Cooper, Herman Carpenter.

SEASON

Using the Tennessee single wing, Coaches Horne and Vincent moulded the Decatur muscle men into a truly great fighting eleven. The team was never found lacking in spirit and a firm desire to win. Throughout the entire season, the team displayed many sporting events that were equal in performance to any other team in the country. Although the team did not capture the state championship, they were noted as being a powerful contender, and also noted for their fairness and sportsmanship.



CAPTAINS BLACKSTONE and BURKETT

Wallace, Billy Spence, Eugene Langston, Jack Mayo, Charlie Weeks, Kenneth Carleton, Eddie Ware, Woodley Chandler, Coach Vin-Hillbritton, Carlton McMillian, Sib Hutchison, Lon Burggett, Leon Pickard, Ray Babston, Jack Gipson, Jack Dempsey, James Kirk-Colin Burkett, John Blackstone, Tip Canady, Jimmy Strange, John Meaders, Basil Drake, Tom McDonald, Lloyd Baker, Virgil

E. C. J. C. 0
MOORHEAD . . . 0

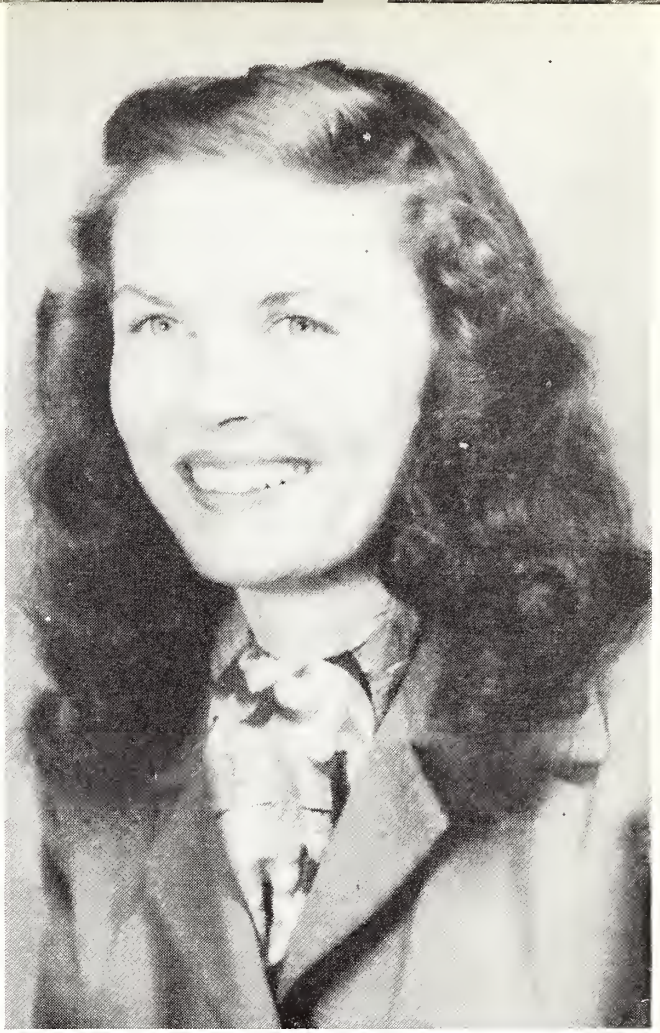
The Decatur Warriors opened the 1948 football season with the Trojans of Sunflower Junior College furnishing the opposition. With both teams using the same version of the single wing formation, the game turned out to be a bone-crushing defensive battle. Although both teams crossed the double stripe, their efforts were futile for each time a penalty nullified the play and the game ended in a scoreless deadlock.

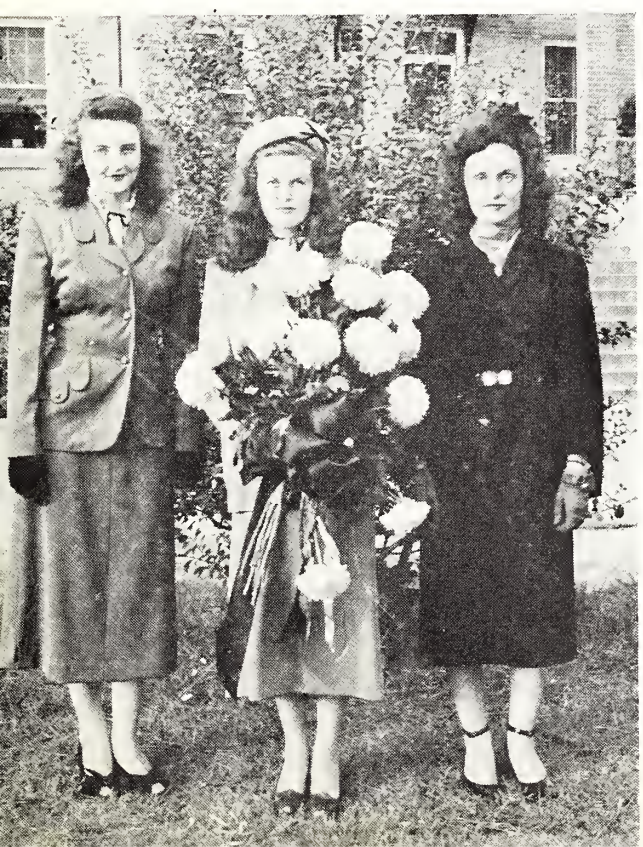
E. C. J. C. 0
ELLISVILLE . . 27

After recuperating through an open date the Warriors traveled south to meet Ellisville on the Bobcat field. Decatur gained consistently on the ground during the first half but could never hit pay dirt and trailed 7-0 at halftime. Unleashing a brilliant passing attack the Bobcats overwhelmed the East Central clan with three touchdowns in the final two periods to win the game 27-0.

HOMECOMING

The highspot of the Homecoming festivities was the crowning of the Queen, Miss Ramona Mitchell, by Hon. J. Knox Huff, Sr., President of the Board of Trustees of E. C. J. C. At the half, she, escorted by Dr. L. O. Todd, and her attendants, Jean Capps and Jeanette Harris, approached the center of the field from the East where they were met by Mr. Huff and Eolin Burkett and John Blackstone, captains of the team, who presented them with flowers and escorted them to their places on the west side of the field.





E. C. J. C. 13
GOODMAN . . . 13

The next week found E. C. J. C. facing the Bulldogs from Holmes in a homecoming battle on the local gridiron. Although Decatur's offense never got into high gear, the Warriors led 7-0 at halftime. This lead was short lived, however, for Holmes came back to score in the third quarter and cut the margin down to one point. Not to be outdone, East Central scored again and seemed to have the game in the bag. It was a sad moment indeed when Goodman fought back and managed to tie the score in the waning minutes of the game. Neither team could hit paydirt again and the game ended in a tie.

E. C. J. C. 14
SUMMIT 7

Journeying southward the Warriors next met the Summit's Flyers at McComb. The underdog Summit eleven drew first blood by scoring in the first quarter on a long pass. This lead was overcome by Decatur in the second period and the half ended with the score tied at 7-7. The third quarter saw both teams battling for every inch but no additional score was made. It looked like another tie game until the Decatur clan finally pushed across another touchdown in the last period to win 14-7.

HINDS 20

The highly-favored Hinds' Eagles were next on East Central's schedule and this battle turned out to be one of the highlights of the season. Despite a fine defense against Hinds' ground attack, the favored Eagles took to the air and began the scoring in the first quarter. Not to be outdone, the Warriors got on the war-path and came back to rack up 14 points in the second quarter while holding Hinds to none. The half ended with Decatur in front 14-7. In a red-hot second half the Eagles relied on passes to score 13 additional points while Decatur's well-rounded attack netted 14. The final score was in favor of Decatur.

SCOOBA 6

The following week the spectators saw Decatur pitted against Scooba on the Lions field. The spirited Scooba eleven were overcome by the Warrior powerhouse. Scores came fast and the game ended with East Central on top.

E. C. J. C. 41
SENATOBIA . . 0

Decatur came home the next week to face the Northwest Rangers from Senatobia. Decatur's all-around attack was too much for the Rangers to handle. E. C. J. C.'s backs had a field-day and scored six touchdowns to Senatobia's none. The game ended: Decatur 41; Senatobia 0.

WESSON 7

Wesson's Wolf Pack was the host to Decatur the following week. This continued a rivalry in which the Warrior clan had never brought home a victory from the Wesson gridiron. Wesson's jinx on Decatur was broken by the unsuperstitious Warriors who came home with a victory.

E. C. J. C. 6
POPLARVILLE . . 0

Riding the victory trail with five straight wins behind them, East Central played host to the highly rated Pearl River team. Struggling on a rain soaked field both teams had to rely mainly on defense and Decatur eked out a win. This made six straight victories for the Warriors.

E. C. J. C. 7
PERKINSTON . . 26

In the last game of the regular season, the Warriors confronted Perkinston's Bulldogs who had won ten games without a loss. This was a sad day for the Warriors who could not muster up enough power to overcome the Bulldogs. Decatur completed no passes and was also hurt by numerous interceptions.

A Memorable Year

•

• Congratulations to the Student Body and Faculty of East Central Junior College for completion of another outstanding year of accomplishments.

• The Staff of your annual has worked exceedingly hard to give you a superb book and one which portrays the highlights of memorable activities.

• Neither time, effort nor expense have been spared to provide you with a permanent record, attractively presented and complete in every detail.

• To preserve the photography and literary efforts of the Staff, the best grades of material have been combined with skilled workmanship to provide the finest quality yearbook.

• We are proud that the 1949 Staff selected us to help design, print and bind the "WO-HE-LO." We have earnestly endeavored to fulfill the confidence placed in us.
